

Fundraising

We offer a fun and unique way for fundraising groups to hold their own special events at their own grounds to earn revenue. We screen a variety of films from cult classics, new releases, animated to everything in between.

Earning Potential

Tickets are sold for \$50 each car for a group or family up to five people.

You will earn \$25 per ticket for the first 65 tickets sold, earning \$1000. For every ticket sold after that, you will earn \$30 per ticket, half of the ticket price!

We encourage groups to plan an entire event around the movie night. They can coincide the event with their own stalls, sausage sizzle, gala night etc. to increase profitability considerably.

What We Do

We facilitate and provide the complete setup needed to host an outdoor cinema event. Including:

- Aircscreen, projector, speakers
- Advertising and promotion through our social media
- FM transmission equipment for vehicles to tune into the movie if required
- Physical tickets, posters and flyers for your event

All You Need To Do

- Provide a location for a drive-in or an outdoor cinema to take place
- Sell 65 Firefly Movie Tickets within two weeks leading up to your event. Each ticket is valid for a group or family up to five to eight people.
- Choose what movie you want to see
- Provide assistance on the night for security and safety purposes
- Turn up for a great night with your family, friends and favourite movie characters!
